

*Dear Christina,*

*WE sincerely wanted to say "thank you" for all the hard work you have done for us.*

*No only you have managed to secure a good unit for our investment purpose in industrial property, the returns from renting the unit to the Tenant was also timely and attractive.*

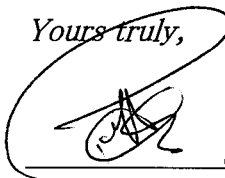

*You have successfully helped us leased out our property in the shortest time and have made our realty requirements a reality and smooth sailing.*

*It was indeed great to have you as our estate agent and we would sincerely recommend our relatives and friends to you for their properties' needs.*

*Without hesitation, we shall continue with your professional services for our future property requirements.*

*Once again, thank you very much.*

*Yours truly,*
